

NYANP 2020 Annual Conference

Call for Abstracts

Conference Theme: "Lighting the Path to Success"

The NYANP is looking for a dynamic panel of speakers to lead and empower our doctors on the journey to success as we aim to shift the medical paradigm and advance healthcare for our patients, our families and ourselves.

Some relevant topics to consider:

- Creating a sustainable and abundant business model for Naturopathic Doctors in NY and beyond. This can include successful business strategies &/or effective treatment protocols that are legal to do in an unlicensed state and can generate good income.
- Examples of success with difficult cases (Chronic &/or complicated illness, medications side effects).
- Effective, affordable, timeless, and in the mainstream: Clinical applications &/or positive research studies of the naturopathic basics.

Fees

Conference presenters will receive a \$200 honorarium and a complimentary registration for the conference with CEUs for lectures they attend (valued at \$325). All presenters are responsible for their own travel, room & board.

Selection Process

The Conference Committee will make selections based on content, learning objectives, and other evaluation criteria (including quality of the abstract itself). Preference will be given to presentations that will be eligible for **pharmacy CEUs**; such presentations require that a minimum of 25% of total slides (by number) include pharmacy (drug) content and another 25% contain naturopathic therapeutics. **See below for more information on this requirement.**

Note: Roughly 30% of selected presentations may be non-pharmacy lectures/general CE. Therefore, all topics are encouraged and will gladly be considered.

The deadline for abstract submissions is April 30, 2020. All persons who submit abstracts will receive notification of the committee's decision no later than May 15, 2020.

The deadline for final presentation submission is September 30, 2020. This is to allow adequate time to have the program evaluated for CEUs. **By submitting an abstract, you are agreeing to this deadline.** ALL presenters are REQUIRED to submit PowerPoint slides for the conference Proceedings Book by this date. The Conference Committee reserves the right to cancel any presenter who does not meet these criteria.

Evaluation Criteria

- Relevance
- Learning Objectives
- Significance and originality of material Clarity of abstract
- Speaker experience/quality (if known) Pharmacy content

Types of Presentations

The convention will host oral presentations of either 50 or 75 minutes in length.

Instructions for Abstract Submissions

General Policies and Requirements

Abstracts must be factual and report significant research findings, clinical procedures and results, techniques, topics, or products.

Absolutely no late submissions will be accepted.

All abstracts submitted are subject to review by the Conference Committee according to the above stated criteria.

All presenters are responsible for their own expenses, including travel, hotel and any other costs incurred by conference participation. Each presenter will receive conference attendance with applicable CEUs and a \$200 honorarium. Two or more

co-presenters who speak together (same presentation, at same time) will receive a \$200 as a group, not as individuals.

The Conference Committee reserves the right to suggest co-presenters and to combine submissions.

Submitters should be available to present throughout the day of the conference, October 17, 2020 as sessions cannot be scheduled per individual requests.

Presenters are responsible for the transport and storage of their presentation materials.

It is the responsibility of the presenter to ensure accuracy of content, spelling and presentation. Abstracts and course notes will be published as submitted, subject to reformatting that may be required by the Conference Committee.

Accepted abstracts may be published on the Conference website, CD-ROM and other NYANP print or electronic publications. All copyright will be transferred to the NYANP. The Conference Committee reserves the right to reformat abstracts to ensure publication uniformity.

All speakers must provide information on any conflict of interest and make aware any affiliation or financial interest that may affect the speaker's presentation. (Accepted speakers will be asked to complete disclosure forms.)

Formatting and Submission

Font must be Times New Roman, size 11 point. All typing should be single-spaced. All margins (top, bottom, left and right) must be set to 1 inch. Abstracts should be formatted in Microsoft Word, Mac Word or as a .pdf file.

Abstracts must be submitted via email to the NYANP Executive Director at: executivedirectornyanp@gmail.com

Please type "NYANP Call for Abstracts 2020" in the Subject section of your email.

Faxed or posted abstracts will not be considered.

Abstract Specifications

ALL of the following must be included in your submission. **Incomplete abstracts will not be reviewed.**

Contact Information:

Contact Name

Presenter(s) full name/degree(s)

Address, City, State and Zip Code

Day-time telephone number

Fax number

Email address

All Abstracts should include:

- Presentation title
- Short description of presentation (up to 100 words)
- Clearly stated learning objectives (3-5)
- Questions and answers (3-5)
- Presentation outline in bullet format
- Bio (up to 150 words)
- Digital picture
- Preferred length of presentation (50 or 75 minutes)

Mention of whether or not pharmacy discussion **as outlined herein** will occur during the presentation

Target audience (e.g. medical practitioner, researcher, scientist, policy maker, student, general audience, etc)

Biographical sketch (up to 150 words)

There is no limit to the number of abstracts one may submit.

The interdisciplinary nature of the Conference should be kept in mind when writing the abstract. Sub-specialty jargon should be avoided. If accepted, some portion of the abstract will be published in the Conference Proceedings.

Technical Information

The podium in the Conference Room will be equipped with a laptop computer, LCD projector, and screen for your use. The presentation will be preloaded on the laptop, but it is recommended that you bring the final presentation on a flash drive as a back-up. Technicians will be able to provide you with assistance and will load your presentation onto the speakers' computer network.
